CAREER OBJECTIVE:

Full Stack Developer with strong expertise in building scalable, user-friendly, and secure web applications using modern technologies. Skilled in both frontend and backend development, database design, and API integration. Seeking an opportunity to contribute my technical skills and problem-solving mindset to deliver impactful digital solutions while continuously learning and growing as a developer.

TECHNICAL SKILLS:

Frontend: React.js | Next.js | TypeScript | JavaScript | Tailwind CSS | Framer Motion | Redux

Backend: Node.js | Express.js | GraphQL | REST APIs | JWT Authentication

Database: MongoDB | PostgreSQL | Prisma | Mongoose

DevOps & Tools: Git | Docker | AWS | Vercel | Figma | Jest | Postman

PROJECTS:

1. Real Estate Website

[Live Link](#) | [Client](#) | [Server](#)

TYPE: Full Stack Project

Tech Stack: React, Tailwind CSS, Firebase, Node.js, Express.js, MongoDB, JWT

Key Features:

- **User:** Add properties to wishlist, make offers, complete payments, manage purchased properties, and write reviews.
- **Agent:** Add, edit, and delete properties; accept/reject offers; view sold properties and track earnings.
- **Admin:** Approve/manage properties, reviews, and users; advertise up to six properties on the home page.

Overview:

A comprehensive real estate platform where agents can list properties, users can explore and buy properties, and admins maintain system integrity with property and user management.

2. CPI Community

[Live Link](#) | [Client](#) | [Server](#)

TYPE: Full Stack Project

Tech Stack: React, TypeScript, Tailwind CSS, Node.js, Express.js, MongoDB

Features:

- Department listings with course details and student/faculty statistics
- Alumni profiles with career information and contact links
- Blog and experience sharing section
- Interactive gallery of campus events and infrastructure
- Contact and admission information

Overview: A comprehensive online platform for Chattogram Polytechnic Institute that provides information about departments, alumni, blogs, events, and gallery highlights. Users can explore programs, connect with alumni, and read experiences and blogs.

ACHIEVEMENT:

Complete Web Development by Programing Hero
